STIPULATION OF DISMISSAL

On February 14, 2019, Plaintiff TekGroup, LLC filed this case, challenging ten individual H1B Visa denials. [ECF No. 1]. Each denial refused TekGroup an initial (“cap”) H1B Visa from the pool of H1B visas available for Fiscal Year 2019. While case was ongoing, TekGroup filed what it views as nearly identical, new cap H1B Visa petitions for eight of the beneficiaries involved in this suit, seeking cap H1B Visas from the pool of H1B visas available for Fiscal Year 2020. All eight were approved.

In addition to these approvals, Defendant has now agreed to reopen and request additional information on the two remaining denials that are the subject of this litigation. TekGroup has agreed to respond to these requests for evidence, and the Defendant has agreed to make a decision on them within 14 days of receiving the additional evidence.

Based on these agency actions, pursuant to Rule 41(a)(1)(A)(ii), the parties now stipulate to dismissal of this case. Each party will bear its own fees and costs.
